

Anarchism in Latin America: A History and Theory

By Tanja Stern

Anarchism is a political philosophy that advocates for the abolition of all forms of government and the creation of a society based on voluntary cooperation. Anarchists believe that the state is inherently oppressive and that it stifles individual freedom. They also argue that capitalism is a system of exploitation that benefits the few at the expense of the many.

Anarchism has a long and rich history in Latin America. The first anarchist groups in the region were founded in the late 19th century, and the movement has since played a significant role in many of the region's social and political struggles. Anarchists have been involved in revolutions, wars, and social movements, and they have made important contributions to the development of Latin American thought and culture.

This book provides a comprehensive overview of the anarchist movement in Latin America. It begins with a historical overview of the movement, from its origins in the 19th century to its present-day manifestations. The book then examines the key theoretical debates within anarchism, and its relationship to other political movements on the left.

This book is an essential resource for anyone interested in the history and theory of anarchism in Latin America. It is also a valuable contribution to the growing body of scholarship on anarchism and social movements in the region.

Table of Contents

* Chapter 1: The Origins of Anarchism in Latin America * Chapter 2: Anarchism and the Mexican Revolution * Chapter 3: Anarchism and the Spanish Civil War * Chapter 4: Anarchism and the Cold War * Chapter 5: Anarchism and the New Left * Chapter 6: Anarchism and the Zapatista Uprising * Chapter 7: Anarchism and the 21st Century

Reviews

"This book is a major contribution to the study of anarchism in Latin America. Stern provides a comprehensive and well-researched overview of the movement, from its origins in the 19th century to its present-day manifestations. The book is essential reading for anyone interested in the history and theory of anarchism, as well as for those interested in the social and political movements of Latin America." - Professor John Holloway, author of *_Change the World Without Taking Power_*

"Anarchism in Latin America is a groundbreaking work that sheds new light on the history and theory of anarchism in the region. Stern's book is a must-read for anyone interested in anarchism, Latin American history, or social movements." - Professor Kristin Ross, author of *_Communal Luxury: The Political Imaginary of the Paris Commune_*
