In *Constructing Immigrants, Citizens, and the Nation, Second Edition*, renowned scholar Aristide Zolberg explores the intricate relationship between immigrants, citizens, and the nation. Drawing on a wealth of research and case studies, Zolberg provides a comprehensive analysis of the social, political, and legal processes that shape immigrant experiences and national identity.

This new edition of *Constructing Immigrants, Citizens, and the Nation* has been thoroughly revised and updated to reflect the latest developments in the field. Zolberg examines the impact of globalization, technological advances, and the rise of populism on immigration and citizenship policies. He also discusses the challenges and opportunities facing immigrants in the 21st century, including issues of integration, assimilation, and multiculturalism.

Constructing Immigrants, Citizens, and the Nation, Second Edition is an essential resource for anyone interested in understanding the complex relationship between immigration, citizenship, and national identity. This book is a must-read for scholars, policymakers, and activists working in the fields of immigration, ethnicity, and social policy.

Reviews

"Aristide Zolberg has written a magisterial work that is both timely and timeless. *Constructing Immigrants, Citizens, and the Nation* is a must-read for anyone who wants to understand the complex relationship between immigration, citizenship, and national identity." — **Alejandro Portes**, Princeton University

"Zolberg's book is a major contribution to the study of immigration and citizenship. It is a comprehensive, theoretically sophisticated, and empirically rich analysis of the processes by which immigrants are constructed as citizens and the ways in which they negotiate their place in the nation." — **Mary C. Waters**, Harvard University
