The Schnacker Family

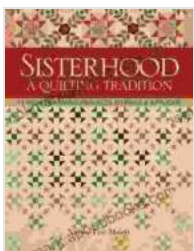

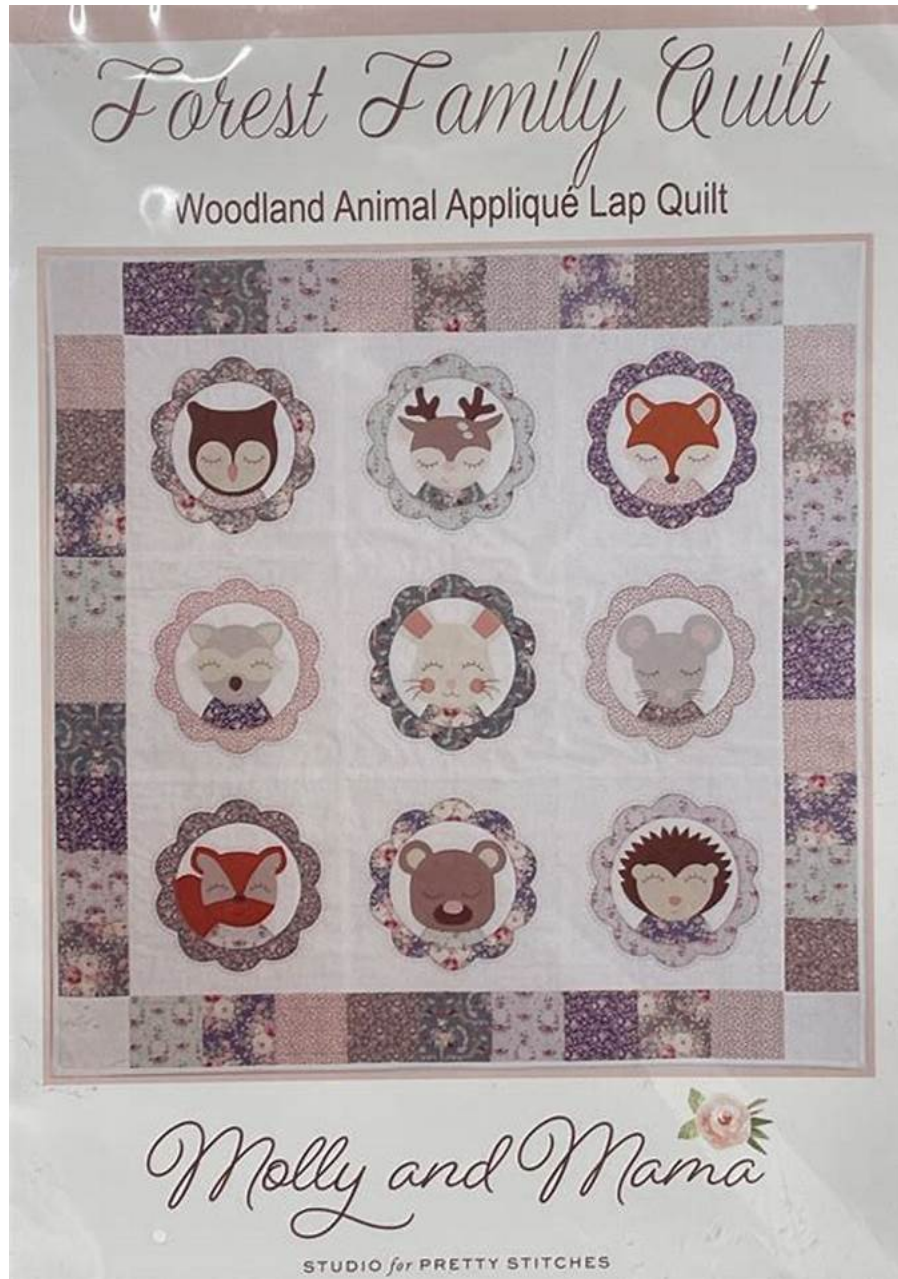

Two things are  
more important  
than anything else  
in the world.  
One is love.  
The other is  
family.

Family is not  
something you  
inherit. It's  
something you  
create. It's  
something you  
build. It's  
something you  
love.

I hope that  
my family at a big  
time in the future  
will look up at  
all these pictures  
and smile.
