## **Falling in love with my best friend's brother was never part of the plan.**

I've always been the good girl, the one who follows the rules and stays out of trouble. But when my best friend's brother, Jake, comes home from college, everything changes. He's charming, handsome, and completely off-limits. But I can't help but be drawn to him, and soon we're crossing lines we never should have.

Our love is forbidden, but it's also irresistible. We can't stay away from each other, even though we know it's wrong. But when Jake's secrets come to light, our love is put to the ultimate test. Can we overcome the obstacles that threaten to tear us apart?

## **Book 2: Tangled Hearts**

**After everything we've been through, I thought we'd be stronger than ever.**

But then a devastating secret comes between us, threatening to destroy the love we've built. I'm determined to fight for our relationship, but Jake seems to have given up. He's withdrawn and distant, and I'm not sure if there's anything I can do to bring him back.

I'm willing to do whatever it takes to save our love, but I'm starting to wonder if it's too late. Are our hearts too tangled to ever be untangled?
