

Flywheels: Ideas and Individual Actions to Better Manage Government Services

Government services are essential to our daily lives. They provide us with everything from healthcare to education to infrastructure. But all too often, these services are inefficient, ineffective, and unresponsive to the needs of citizens.

Flywheels: Ideas and Individual Actions to Better Manage Government Services is a comprehensive guide to improving the efficiency and effectiveness of government services. The book provides practical advice on how to identify and implement changes that will make a real difference in the lives of citizens.

The book is divided into three parts:
