Synopsis

Garrett "Diesel" Graham is a star quarterback for the New York Sentinels. He's also the biggest playboy on the team. But when he's caught in a

compromising position with a teammate's girlfriend, he's forced to clean up his act.

Enter Hayden "Hurricane" Walsh, the team's resident good girl. She's been in love with Garrett for years, but she's never had the courage to tell him. Now, with Garrett on the mend, Hayden sees her chance.

Garrett and Hayden embark on a road trip to Garrett's hometown, where he's hoping to reconnect with his roots. Along the way, they learn more about each other than they ever thought possible. And as the miles pass, the lines between friendship and love begin to blur.

My Review

I absolutely loved this book! It was funny, heartwarming, and sexy. I loved the characters and the chemistry between them was off the charts.

Garrett is a typical alpha male: confident, charming, and irresistible. But he's also got a vulnerable side that he only shows to Hayden.

Hayden is the perfect match for Garrett. She's smart, funny, and independent. She's also not afraid to stand up to Garrett when she needs to.

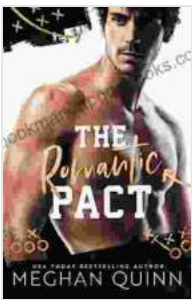

I loved the road trip setting of the book. It gave Garrett and Hayden the chance to spend some quality time together and really get to know each other.

Overall, I highly recommend this book to anyone who loves a good romantic comedy with a side of sports.
