

The Complex Leader: A Transformative Guide to Leading in Today's Complex World

By Bob Johansen

In an increasingly complex and interconnected world, the traditional approaches to leadership are no longer sufficient. Leaders today must be able to navigate uncertainty, ambiguity, and paradox, and they must be able to make decisions in the face of constantly changing information. They must also be able to build and maintain relationships with a diverse group of stakeholders, and they must be able to inspire and motivate their teams to achieve ambitious goals.

In *The Complex Leader*, acclaimed leadership expert Bob Johansen presents a groundbreaking framework for leading in today's complex world. Drawing on the latest research in neuroscience, complexity theory, and systems thinking, Johansen provides a practical and accessible guide for leaders at all levels who want to develop the skills and mindset necessary to navigate the challenges and seize the opportunities of the 21st century.
