

The Ukraine Crisis and the Ruinous Contest for Post-Soviet Eurasia

Adelphi 460

The Ukraine crisis is the most serious security crisis in Europe since the end of the Cold War. It has raised fundamental questions about the future of European security and the role of Russia in the post-Soviet space.

This Adelphi volume provides a comprehensive analysis of the Ukraine crisis and its implications for the future of Europe. It examines the historical, political, and economic factors that have led to the current crisis, and assesses the likely scenarios for the future.
